Hanno, Japan Student Trip General Information – 2023

Selected students from Brea will have the opportunity to travel to Brea's sister city Hanno, Japan. The trip will last ten days and will be a great experience for those fortunate enough to go. The trip is planned for **2/10/2023 - 2/20/2023**. This trip is sponsored solely by the Brea Sister City Association. The students selected to go on this trip will be chosen by members of the Brea Sister City Association.

The following is a list of the requirements and commitments that each student and their family will be asked to fulfill:

- Each student of high school age, must reside or attend school in Brea, or have a parent who works in Brea.
- Each student must fill out an application (including several short essay responses), obtain an Educator Evaluation, and a Letter of Recommendation and submit all components to the Brea Sister City Association by the deadline.
- Each student will be interviewed by members of the Brea Sister City Association. **(Please dress appropriately.)**
- Each student must obtain a U.S. passport. (If you are not a U.S. citizen or do not have a U.S. passport, you need to obtain a visa if necessary.)
- Each student and their parent or guardian must attend all meetings (4 meetings on weekday evenings)
- Each student and their parent or guardian must sign a Responsibility Release Form, giving chaperons authority over the student if problems occur.
- Each student participating in the exchange program will be required to host a Japanese student from **1/12/2023 through 1/18/2023**.

The cost of the trip is approximately **\$1400** plus spending money. If selected to go, you will be required to submit a **\$700** cash, check or money order deposit (non-refundable) made out to the Brea Sister City Association by **11/1/2022**, with the remainder due **12/7/2022**. Online payments are now available for your convenience. Both payments must be received by the appropriate dates, or your spot may be forfeited. We will do our best to find the best airfare, but the final cost will not be known until the tickets have been purchased, usually after all money has been collected. We may request more money at that time.

Students will stay in a typical Japanese home during their trip to Hanno. Most of their expenses are covered by the City of Hanno or their host families, except for an occasional meal out and personal shopping expenses, which are the sole financial responsibility of the student. Students will need to exchange dollars for yen prior to leaving on the trip. Information on how to easily accomplish this will be shared at a student-parent meeting.

This trip will be an enjoyable and educational experience for our students. Students and chaperones will be representing the City of Brea and will be acting as ambassadors of the United States. For this reason, we will be selective in choosing the students awarded this unique opportunity to travel to Japan. Students will be expected to act accordingly and to be responsible for their application, meeting all deadlines, attending all meetings pertaining to this trip, and participating as a host family when the students from Hanno visit **1/12/2023 - 1/18/2023**.

An application packet may be obtained online at <http://www.BreaSisterCity.org> for your information and reference. Applications must be submitted digitally. Questions and requests should be directed to BSCA Vice President, John-Michael Patino. Mr. Patino may be contacted at bsca.hannovp@gmail.com or (714)342-6422.
